2. (Confidential - JMM) Phillip Trimble, Senate Foreign Relations Committee staff, called to say that today's Alsop article about Chinese missiles had created considerable interest and he would like to come to Headquarters on Monday, 29 November, for a briefing on the subject. After conferring with Mr. Duckett, who said he would be prepared to give the briefing if the Director approved, I called back to tell Mr. Trimble that we could not give him an answer until Monday.

3. (Confidential - JMM) Attended a meeting of the Legislative Interdepartmental Group at the White House. See Memo for Record.

4. (Secret - GLC) George Murphy, Joint Committee on Atomic Energy staff, called to say Captain Edward Bauser, Executive Director of the Committee, would like us to give the JCAE staff a briefing on the recent ChiCom nuclear tests some time next week. I told Murphy I would check on this and be back in touch with him on Monday.

I alerted Murphy to the fact that next week I would provide him with a copy of the advance conclusions of the NIE 13-8-71 on "Communist China's Weapons Program for Strategic Attack." 25X1
